PRACTICE INFORMATION

ATTENDANCE POLICY

We realize many athletes are involved in a variety of activities; however, we cannot make exceptions for schedule conflicts. We expect to be a top priority with 100% commitment and attendance. If our policy is violated, the athlete may be removed from the program. All vacations must be arranged around our breaks and include plenty of travel time in case of delayed air travel or other unexpected travel incidents.

PRACTICE WEAR "LOOK POLICY"

All athletes must wear their hair up in a tight bun with a bow at all regularly scheduled practices. Mandatory practice attire starts September.

SICK OR INJURED

Athletes who are sick must bring in a doctor's note in order for it to be an excused absence. Multiple missed practices, even if it is excused will jeopardize an athlete's position in the routine and/or spot on the team. If an injury occurs and that athlete is fully recovered, it is up to the gym owner/coach when the athlete may return to the routine and if they are able to return at all. They may not return to their same positions in the routine.

ADDED PRACTICES

Additional practices are MANDATORY and a schedule for the full season will be posted by July. It is your responsibility to make sure you add them to your calendar.

FALL

All practices and extra practices are MANDATORY. No missed practices, including vacations.

EXCEPTION:

The vacation approval form must be submitted by 9/1.

PROGRAM COSTS

Auto Pay for monthly tuition is MANDATORY

Monthly tuition is auto-drafted on the 1st of every month July-April and will be done through a debit or credit card. If you have a credit on your account, the credit will be used instead of your card. There is an annual registration fee of \$100 paid once every 12 months.

Our tuition fees include weekly cheer practice and one tumble class per week. If your athlete crosses over they will NOT have to pay an additional monthly tuition fee, however they will be responsible for an additional music fee, choreography fee, uniform (if needed), and competition fee.

Flyers:

Flyers will pay an additional amount per week to attend stretch/fly class which is mandatory in order to be considered a flyer on any Jersey All Stars team. Enrollment will be done via front desk/e-mail.

Tuition Break Down

All Star Supreme: \$145
Mini - Senior Travel: \$175

Tiny Novice: \$125
Tiny Supreme: \$145
Tiny Elite: \$140

Sibling Discount

Monthly tuition will be discounted for siblings. Second child \$30 off and third child is FREE (monthly tuition only). There are no monthly tuition discounts for athletes on a Tiny or Supreme team(s).

Invoices & Payments

If your payment is declined, you will receive an email/and or phone call. If your account remains past due by 10th of the month, you will receive a \$20 late fee and your athlete will be asked to sit out of practices, classes, and private lessons.

USASF Fee

The USASF is The United States All-Star Federation, which is the governing body for cheer. Each athlete is required to have their own membership profile. A fee of \$49 must be paid directly to the USASF and is required to participate in the season's competitions.

Crossover (OPTIONAL) Only ELITE athletes may be considered Crossovers

A crossover is if your athlete is participating on two teams. If your athlete would like to be a cross over there will be no additional monthly cost however, there will be additional competition and choreography fees ONLY. If your child wants to be a crossover they will be considered, but there is no guarantee.

Choreography Fee: \$100 (one-time fee due in the summer)

Additional Competition Fee: \$675 approximately (split up into multiple payments throughout the season)

Quit Fee

During competition season it is crucial to have full team practices. If an athlete decides to quit at any point, it requires extensive last-minute changes to the routine which has a great impact on not only the team, but also our staff, athletes individually and parents. We expect your full commitment for the entire season and therefore will be implementing a \$400 quit fee if your athlete quits, or the staff is forced to remove him/her from the program after September 1, 2024.

The quit fee will be \$400 and the card on file will be charged **immediately**. If your card is removed or invalid, you are responsible to pay within 7 days of quitting.

Payment Options

All expenses can be paid through cash, credit or debit card, and checks made payable to All Star Athletic Center. You can enroll in auto-pay for all fees, not just tuition if you choose. A 3.5% service charge will be added to all card payments

We have fundraisers available throughout the season for those who are in financial need.

FEE CHART

All the fees listed below in the fee chart are one time fees. The only monthly fee will be gym tuition. For the upcoming 2024-2025 season there will not be a new program uniform, supreme uniform, tiny uniform, and worlds uniform. There will also not be a new warm-up.

Jersey All Stars Communication

No parents should be texting or calling a coach directly unless to discuss your athlete running late to practice, etc. All communication should be done directly to the gym via email. We operate during normal business hours. There should not be texting or communicating after 9:00pm or when the gym is closed on the weekends or any other holidays.

Email

Email will be the main communication between the gym and each parent. If a meeting or phone call is needed we will schedule one via email.

Remind

All parents & athletes will have to join a separate group in the remind app for important information and reminders. We will be using this to blast out text messages.

Jersey All Stars Contact

 (732) 387-2690  info@allstarathleticcenter.com

Staff/Athlete Communication

We highly encourage our athletes to communicate their issues/concerns to the coaches/gym owner before holding a parent meeting. We want each athlete to feel comfortable enough to speak freely to staff members to solve minor issues within a team. WE ARE A FAMILY! Any serious issues will be addressed immediately with a parent/guardian.

WHO DO I DIRECT MY QUESTIONS TO?

Jodi Gerhartz

Jersey All Stars East Brunswick Owner

Questions about invoicing, payments, individual athletes, and other All Star related issues.

Chelsea Devine

Cheer Director

Questions about teams, competitions, schedules, and USASF registration.

Team Parent

Questions about team bondings and other gym reminders. You will receive their contact information after team placements. Any major question or concerns should go to the gym directly, NOT a team parent.

PCA (jerseyzca@gmail.com)

Questions about fundraising contact the PCA.

Practice

If your athlete is sick or injured please email the gym directly at info@allstarathleticcenter.com. The gym should be the first notified, not any team parents, parent or athlete. If your child is running late please let us know via email, remind, or phone.

Competitions

All parents & athletes will have to join the remind app for important competition updates at the event. Any issues should be addressed after the event has concluded.

What is the commitment for the team?

All Star cheer is a year-round commitment from the individual athlete and the entire family. Athletes are required to attend every practice, choreography/stunt clinics, competitions, and team bonding events. All other extra curricular activities such as school and REC sports etc. are not considered excused missed practices. Athletes who are continuously late to practice due to other sports may be removed from stunts, tumbling, routine sections, or from the team.

Can my athlete participate in school cheer?

Athletes are allowed to cheer for their school's football/basketball team and we are willing to discuss scheduling conflicts on SOME occasions. However, if we cannot come to an agreement, the athlete is always expected to attend their Jersey All Stars practice. We ask that parents be up front and honest with their school team sport reminding them that the commitment of Jersey All Stars is the number one priority. Weekend practices added in the fall are MANDATORY, therefore Jersey All Stars practices MUST be a priority over a high school football game. The ONLY missed practices allowed for school cheer is homecoming, if the athlete is participating on the Varsity cheer team. If athletes are not willing to put Jersey All Stars above high school cheer, they must decide between the two.

Are added practices mandatory?

Yes, all added practices are mandatory. Additional practices for the entire season will be provided for parents in July. This allows plenty of time to schedule events around the extra practice schedule.

When is choreography?

Choreography camps will be scheduled and take place in July, August, and October. Dates are listed in this packet and will be finalized after teams have been placed. All camps are MANDATORY. An athlete position who is missing from any camp choreography may be affected at that time. It is crucial for the choreographer to see each athlete during the creation of the routine. These routines are created around the athletes.

What is the process of creating a routine?

Our teams, as well as routines, are created with the scoring rubric on the forefront. Teams are made at tryouts with the goal of the routine being able to max out all possible points. Some people are placed on teams for tumbling skills, while others are placed on teams for stunting skills. Remember this is a TEAM sport. Everyone that makes the team, as a whole, is what will allow that routine to flourish and max out. Choreography is done with competition ready skills being placed in routines and is constantly changing throughout the season. This goes for any and all skills, including tumbling, stunting, jumps, and dance. If your athlete's tumbling is not ready to be competed in September, that does not mean it will not be ready to compete in February.

Why did my child's spot get changed in the routine?

There are no "spots" in a routine. Routines are constantly changing and evolving throughout the season to master the scoresheet. Changes are made to improve transitions, technique, and overall flow and dramatics of the routine. Often times the judges feedback gives coaches more perspective of what they are looking for and will therefore result in routine changes.

What is new about tumbling this season?

This year we will be having both TEAM and LEVEL tumbling sessions for the athletes. During the week, the teams will work on their tumbling together at practice. This will help with timing and execution for competitions. On Sundays we will be implementing level-based tumbling to help athletes improve their tumbling skills based on their current tumbling abilities. Sunday tumbling from June through August will be mandatory for athletes 2 Sundays a month. Then, in September, athletes will be required to attend at least three Sundays a month.

Can I miss a competition?

Your athlete is required to attend ALL competitions in the season. They may not miss any event regardless if your child is sick or injured.

What happens if my child is injured?

Any athlete who is injured may be replaced for any or all competitions, including end of season events. This is a case-by-case basis and the decision will be made by Jodi & Chelsea. The team must come first. The parent(s) of the injured athlete are still responsible for all fees while they're injured, including competition fees. Once the athlete is fully cleared it is up to the staff members where they return in the routine. As listed above, please remember there are no "spots". All athletes are moved around throughout the season.

Can I tumble or take lessons at other gyms?

Athletes are not permitted to take tumble classes, privates, or clinics at any other cheerleading gym.

What if my child does not want to continue the season or quits?

Becoming a member of Jersey All Stars takes a huge commitment from each and every one of our athletes, parents, and coaches. To help ensure this level of dedication, we have implemented a fee charged to any athlete who quits his/her team after September 1st. The amount of this fee is \$400 and will be immediately applied to one's account if they are to quit for any reason. If your autopay declines these fees, you will need to refer back to the policies you have signed when setting up your account. You will not be refunded any prior fees paid to Jersey All Stars and will be responsible for all mandatory fees up to that date.

Who accepts end of season bid events?

All eligible teams will accept bids to The Regional Summit. All eligible **ELITE** teams will be accepting bids to The Summit, The Youth Summit, and The Cheerleading Worlds being held in Florida. The end of the season event will be provided when the competition schedule comes out. There will be additional fees for these events such as travel fees, entrance fees, team shirts, coaches' fees, etc.

How does traveling for competitions work?

For overnight, but drivable competitions (3-7 hours), athletes will be required to arrive Friday night. Practices will resume on Monday so all athletes are expected to be home by Monday night. Any travel competitions that require a flight will have Thursday night as an expected arrival and a Monday departure. Practices will resume on Tuesday and all athletes are expected to attend. Remember, travel events are for cheer not vacations.

Travel Events "Stay To Play" - Explanation

Some of our travel events are "stay to play" which means we are required to book rooms within a block the competition has provided. Please do not book a room for any event until we send the information to you. This also includes booking airfare, etc.

I accepted the online policies, do I still have to fill these pages out?

Yes, we need both online and paper policies signed and accepted before your athlete is placed on a team.
